PLEASE READ THE FOLLOWING ADDITIONAL INFORMATION

Please LABEL everything with your child's name (except kindergarten students).

- ★ Please NO plastic coated or glitter pencils. They do not sharpen well. The plain, solid colored pencils work best.
- ★ Please NO Trapper Keepers, NO mechanical pencils, and NO gel pens.
- ★ 3rd, 4th, & 5th graders will need to purchase an ASSIGNMENT NOTEBOOK from Centennial Elementary during the first week of school. The price is \$4.00. Occasionally, some students have a need to purchase a one-semester planner later in the school year. The cost of the 90-page booklet is \$2.00.
- ★ All students will need to bring a pair of gym shoes to be kept at school. It is important that these are shoes that currently fit and tend to be a little large so they continue to fit over the course of the school year. They do not need to be expensive athletic shoes. It is important to have this pair of shoes at school for gym days when the student wears shoes not suitable for gym activities or when boots are worn and the child forgets to bring school shoes to wear during regular class time.
