

# **JOIN PTA TODAY !!!**

**PTA is the largest nonprofit volunteer child advocacy organization in the country.**

We know that you want to do the best for your children. The PTA can help you do that! We all know that children learn more and have better lives when parents, school staff, students and the community work together. PTA brings all these groups together to share thoughts and ideas about programs and activities that benefit children. Our PTA provides information and resources that strengthen these relationships.
