PLEASE READ THE FOLLOWING ADDITIONAL INFORMATION						

- * Supplies can be purchased as a package at registration or contact Tammy McGrane at mcgrane208@msn.com.
- * Please LABEL everything with your child's name (except kindergarten students).
- * Please NO plastic coated or glitter pencils. They do not sharpen well. The plain, solid colored pencils work best.
- * Please NO Trapper Keepers and NO gel pens.
- * All students will need to bring a pair of gym shoes to be kept at school. It is important that these are shoes that currently fit and tend to be a little large so they continue to fit over the course of the school year. They do not need to be expensive athletic shoes. It is important to have this pair of shoes at school for gym days when the student wears shoes not suitable for gym activities or when boots are worn and the child forgets to bring school shoes to wear during regular class time. Be sure to put the student's name on their shoes.
