FOURTH AND FIFTH GRADES

One of the goals the Runnells Elementary Staff has been working towards is for our students to be **Self-directed Learners**. As we strive to meet this goal we see that organizational skills are a key factor.

In order to ensure that each student has the appropriate materials necessary to be organized and ready to learn, **Runnells Elementary will purchase all school supplies necessary for students in grades 4 & 5.**

These supplies will be provided to you at the school's cost. We have tried to make the supply list as reasonable as possible and we are requesting that no other items be brought to school. If a teacher requires additional supplies she/he will send a note home.

The cost of the supply packet is **\$25.00**. It can be purchased at the office during student registration or during the first week of school. Replacement items will be available for purchase throughout the school year at the office.

*** The Runnells PTA will be providing boxes of Kleenex for all grades***
